

Job Title: Mobile DJ

Supervisor: Matthew Michael Price

Location: Central Kentucky

Working Conditions: Working conditions vary. Mobile DJ's may be required to work outside/inside depending on the event.

Basis of Employment: Part Time

Principal Duties and Responsibilities:

1. Drive to company warehouse to pick up equipment for DJ Event
2. Drive to and from event with enough room for equipment
3. Set up speakers, lighting, DJ booth, and whatever the event requires (*if you are not able to lift speakers and equipment, road crew may travel with you to assist with load in and load out*)
4. Arrive at least an hour prior to event to ensure plenty of set up time
5. Provide appropriate music for each event (this varies)
6. Be energetic, engaging, and clean MC for each event
7. Treat Customers and Guests of event with respect
8. Provide a level of service that is superior of DJ Matt Price competitors
9. Help maintain a positive image of quality and service for the DJ Matt Price brand and its parent company, Matthew Michael Price Enterprises
10. Break down all equipment after event and return in proper storage containers the way they were found (*if you are not able to lift speakers and equipment, road crew may travel with you to assist with load in and load out*)
11. Return all equipment to company warehouse after event

Qualifications:

Knowledge: Knowledge is not required to be a part of the DJ Matt Price. However applicants must have a willingness to learn and interest in the subject. Working for DJ Matt Price will be a hands on opportunity to learn about speakers, networking, music, intelligent lighting, production, design, and more.

Skills: Applicants must be hard working, respectful, and outgoing. Working with different clients every week, it is important that applicants are respectful and fulfill the requests of each customer. Applicants must be outgoing to keep the energy level up in each event.

Abilities: Mobile DJ's must be able to play music and MC any event. When loading in/out equipment, many items weigh up to 100lbs. It is helpful if DJ's are able to load in/ out equipment, however if mobile DJ applicants have a strong resume, Road Crew will be sent with the mobile DJ to assist with setup.
